

Strategic Funding and Partnership Workgroup  
Meeting Minutes July 2, 2019

Present: Elizabeth Kelly, Kathy Williams, Leah McCall, Rachel Densmore, Liz McLachlan, David Morantes

**Follow up/updates:**

- YHDP- Youth NOFA- the Alliance didn't apply this time but is setting regular meeting with partner agencies to start the planning process and make sure all needed partners are involved.
- Functional Sentencing- Grant ends in December 2019- possible funds to continue through ABA? **Leah will reach out to Jayesh FS for our youth population?**
- Transportation-
  - Promote get a job get a ride- 30 day pass. **Leah reach out to Madonna, how can the Alliance promote/get involved?**
  - Medicaid rides- promote what we can or is offered
- Public Safety- Jail Diversion
  - HOPE is a site
  - **Rachel/Elizabeth to contact Dan Holloway OCHN coordinator how does he train law enforcement? Invite him to SPIF then a community training through the Alliance.**
- Mental Health needs in the community- for low income- dementia and Brain injury care
- Jail time=lose benefits for Medicare. Once released must wait 30 days to re-apply. Can the Alliance advocate for those exiting to receive assistance re-applying so when released the benefits are open again?
  - Mental health services interrupted, going without needed medications (diabetes, mental health RX, etc)
  - What can the Alliance do? Research? Human right issue (ACLU), assistance from health insurance companies
- Outreach and Case Management on OC- 1800- number for....volunteer navigators, 3 way calls volunteer, individual, service provider) help schedule appointments, transportation, like a crisis /nurse on call line.
  - Alliance could promote- bus signage, PR through the Alliance advocacy committee
  - **Leah reach out to Kimber for a pool of volunteers, ideas, Funds for number and promotion**
- Medical debt- is there a way that we could potentially find a funder/business/faith based (large congregation- Kensington, Woodside Bible) to purchase local health or hospital debt? Cost pennies on the dollar (for \$30,000 you can buy Millions of dollars in medical debt) we could "forgive" medical cost to low income/homeless

Setting meetings up on a monthly schedule, first Tuesday of the month at OCHN 930-11. Next meeting is August 6, 2019
